

Aviation **Training Experts**

Knowledge before maintenance!

INTRODUCTION

Aviation Training Experts is an EASA Part 147 Approved Maintenance Training Organization (EASA.147.0140) specialized in Aviation Type Rating Training, with headquarters in Belgrade, Serbia.

Our team core mission and biggest passion is to deliver outstanding training experience that will supply technical staff of airline and MRO with superior theoretical knowledge and practical skills, confident to work in a constantly evolving industry.

Organization is fully focused on your satisfaction, continuously striving to provide the highest quality type rating training, meticulously designed around your needs.

- Aviation Training Experts is honoring the legacy of the visionary aviation guru and main founder Mr. Dejan Bojanic and his strong will in providing training excellency in aviation industry!
- "Honoring the Past, Building the Future"

WHO WE ARE?

Our team of instructors is comprised of renowned industry professionals with more than 30 years of experience in Aviation Maintenance and Teaching, ready to guide you on your path to excellence.

Besides working as instructors, practical assessors and examiners, our staff have previously also held positions as licensed A/B1.1/B2/C technicians and inspectors.

Combining outstanding theoretical and practical knowledge with a true passion for the aviation industry, they will provide an effective training experience, preparing you for the challenges that lie ahead.

OUR EXECUTIVE TEAM

Maja Bojanic is an accomplished professional in aviation training management and a pivotal figure in establishing AVIATION TRAINING EXPERTS LTD. Her entrepreneurial spirit and leadership have positioned the organization as a trusted name in aviation training. Specializing in setting up EASA Part 147 training organizations, Maja ensures regulatory compliance and operational excellence.

She holds a Master's in Marketing and International Business from ESEI International Business School in Barcelona, graduating with distinction, and a Bachelor's in Business Administration from HULT International Business School in London. She also pursued advanced management studies and researched freedom of speech at the University of Oxford.

Maja's passion for aviation stems from her family legacy, driving her commitment to innovation and the continuous improvement of aviation training standards.

MAJA BOJANIC

Accountable Manager & Founding Partner

OUR EXECUTIVE TEAM

ANTONIJA BOJANIC

CEO, Head of Finance & Founding Partner

Antonija Bojanic brings extensive expertise in business administration and strategic financial planning to her leadership role at AVIATION TRAINING EXPERTS LTD. As a founder, CEO, and Head of Finance, she directs the company's operations and financial strategies, emphasizing sustainable growth and long-term success. Her proactive approach was honed during her tenure as Administration Manager, where she enhanced operational efficiency and optimized processes.

Academically, Antonija holds an MBA in Business Administration and a Master's in Marketing and International Business, both with distinction from ESEI International Business School in Barcelona. She also earned a Bachelor's in Business Administration from the European University Barcelona. This solid academic background provides her with the strategic insights and analytical skills vital for her role.

Antonija's passion for aviation is deeply rooted in her family heritage, inspiring her enduring commitment to excellence in the industry.

OUR EXECUTIVE TEAM

Aleksandar Ljubicic is a highly skilled aviation professional with over 15 years of experience in various roles within the industry. With a strong technical background and extensive knowledge of aircraft maintenance, Aleksandar has held positions such as line and base maintenance support staff, certifying staff, supervisor, maintenance instructor, and maintenance manager. He possesses a wide range of aircraft type ratings and has undergone rigorous training to ensure the highest standards of aviation safety and compliance.

Driven by a passion for aviation and a commitment to excellence, Aleksandar is dedicated to sharing his knowledge and expertise with aspiring aviation professionals. As a Training Manager at AVIATION TRAINING EXPERTS LTD, he plays a crucial role in developing the next generation of skilled aviation technicians.

ALEKSANDAR LJUBICIC
Training Manager & Partner

OUR EXECUTIVE TEAM

Goran Pavlovic is a seasoned aviation professional with a distinguished career spanning over three decades in aircraft maintenance, technical training, and quality management. With extensive hands-on expertise in troubleshooting, system modifications, and the use of advanced test and measuring equipment, he has worked on a wide range of aircraft models. As a certified Technical Instructor and Quality Manager, Goran combines his practical engineering acumen with strong leadership and training capabilities, ensuring the highest standards in technical operations and compliance within the aviation industry.

Goran's extensive expertise and dedication make him a valuable asset to AVIATION TRAINING EXPERTS LTD, where he ensures compliance with industry standards while mentoring the next generation of aviation professionals.
